

CATHOLIC MISSION STATEMENT

19 February 2020

Re-Novel Coronavirus (COVID-19) AIG Travel Insurance Coverage

Catholic Mission in consultation with “AIG Travel Guard” and “Smartraveller” is monitoring the Coronavirus outbreak and will follow their advice regarding any action that needs to be taken. Current travel advice NOT TO TRAVEL does not apply to any of the host countries on the Immersions Program schedule. Should the travel advice change and a DO NOT TRAVEL advice be issued to any country on the Immersions Program schedule, then Catholic Mission will be in contact with you immediately to consider the situation and the possible cancellation of the immersion.

Claims made for the cancellation of travel bookings or related incidents made prior to the 24th January 2020 due to the presence of the Coronavirus in the host country will be considered.

Claims made for the cancellation of travel bookings or related incidents made after the 23rd January 2020 due to the presence of the Coronavirus in the host country and declared by the host country, will be seen as “known and foreseeable” and therefore might not be considered. This ruling will apply globally.
